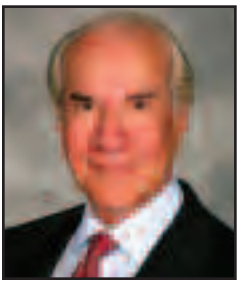
ED SNIDER | Comcast-Spectacor Chairman



Ed Snider is an iconic entrepreneur and true visionary in the sports and entertainment industry. His emergence as a leader in the Philadelphia Sports Market began in 1966, by bringing a National Hockey League franchise to the city, as the founder of the Philadelphia Flyers. He became the driving force behind the construction of the Spectrum and assumed control of the building in 1971. In 1974, Snider created Spectacor as the management company to oversee the Flyers and Spectrum. Over the next 20 years, Spectacor experienced unprecedented growth earning national acclaim for its impact in the sports and entertainment business. Under Snider's guidance, Spectacor developed and acquired nearly a dozen related companies.

In 1996, he merged Spectacor with the Comcast Corporation to form Comcast-Spectacor. The new venture initially consisted of the Philadelphia Flyers, Philadelphia 76ers, Wachovia Center, Wachovia Spectrum, and Philadelphia Phantoms. Comcast-Spectacor then joined with the Philadelphia Phillies to form Comcast SportsNet, one of the highest-rated regional sports cable networks in the country.

Most recently, Comcast-Spectacor developed Global Spectrum, an international facilities management company; Ovations Food Services, an international concessions company; New Era Tickets; and the Flyers Skate Zones. These entities all represent components of Snider's vision: "Take what you do well and grow it."

Snider's success and business acumen have been widely recognized by his peers. He was elected to the Hockey Hall of Fame in 1988 and serves on the NHL's Executive Committee. He is also a member of the NBA's Advisory Finance Committee. He is a recipient of the Lester Patrick Award for outstanding service to hockey in the United States and has been elected to the Pennsylvania Sports Hall of Fame, the Philadelphia Sports Hall of Fame, the Philadelphia Jewish Sports Hall of Fame, and the Flyers Hall of Fame. In 2005, he received the Greater Philadelphia Chamber of Commerce's William Penn Award, the most prestigious business honor in the region, and the Ellis Island Medal of Honor awarded to Americans of all ethnic backgrounds who have made significant contributions to our society.

One of Snider's recent accomplishments is the creation of the Ed Snider Youth Hockey Foundation, which provides underserved children in the Philadelphia area with the opportunity to learn to play ice hockey at area rinks. The program features an educational component that emphasizes teamwork and goal setting as important life lessons. In 2008, the Foundation rescued three of the five Philadelphia inner-city ice-skating rinks that had been targeted for closure by funding and operating them for the City. The Foundation now funds and administers programming in all five City rinks.

Snider received honorary degrees from Hahnemann University and Thomas Jefferson Hospital. He is also a Benefactor of the Sol C. Snider Entrepreneurial Center of the Wharton School of the University of Pennsylvania and Vice Chairman of the Simon Wiesenthal Center.

Snider's philanthropic generosity has benefitted numerous organizations and agencies throughout the Greater Philadelphia Region.

In May 1999, readers of the Philadelphia Daily News selected him as Philly's greatest mover and shaker of the millennium.

He resides in suburban Philadelphia. His children are daughters Lindy, Tina, and Sarena and sons Craig, Jay, and Samuel, as well as 15 grandchildren.

PETER A. LUUKKO | President/COO of Comcast-Spectacor, Chairman of Global Spectrum

Peter A. Luukko is President and Chief Operating Officer of Comcast-Spectacor. He works closely with Comcast-Spectacor Chairman Ed Snider in overseeing the day-to-day operations of all of the company's interests.

Additionally, Luukko, who is also Chairman of Global Spectrum, is responsible for creating new business opportunities for Comcast-Spectacor in the fields of facility management, sports ownership and operation, food and concessions, as well as consulting in those same fields.

Luukko's extensive sports management career began in 1981 after parlaying an internship at the New Haven Coliseum into the Director of Marketing for the facility. He later joined the Providence Civic Center as the facility's assistant general manager. In 1985, Luukko joined Spectacor Management Group (SMG), at the time owned in part by Snider, and soon became Vice President of SMG's Western Region and facility manager for SMG's Los Angeles Coliseum and Sports Arena. During that time, he was credited for greatly improving the facilities' reputation. In addition, he had spent time overseeing other SMG facilities.

In 1993, Luukko left SMG to become President of the Spectrum. In the following years he became responsible for managing Comcast-Spectacor's growing interests, and helped the company become a nationally recognized leader in sports and entertainment with the acquisition of Globe Facility Services in 2000. After renaming the company Global Spectrum, the public assembly management firm grew from seven facilities in 2000 to just over 80 facilities in 2009. Additionally in 2000, Comcast-Spectacor acquired Leisure Food Services and renamed the company Ovations Food Services. Comcast-Spectacor made a significant investment into a ticketing technology company, Paciolan, and employed its technology to create a full-service ticketing company, New Era Tickets, in 2004.

Under Luukko's leadership, Comcast-Spectacor helped Philadelphia garner national attention and awareness by attracting the 2002 NBA All-Star Weekend, the 2001 NCAA Men's East Regionals, the 2001 and 2002 X Games, the 2000 NCAA Women's Final Four, the 2000 Republican National Convention, the 2008 U.S. Olympic Team Trials for Gymnastics, the 2011 NCAA Wrestling Championships, and numerous other sports and entertainment events to the City of Philadelphia.

A recognized leader in the facility management industry, Luukko was the 2000 recipient of the City of Hope's Tri-State Labor Award. He also received the 2002 prestigious Harold J. VanderZwaag Distinguished Alumnus Award from the Sports Management Program of the University of Massachusetts for his accomplishments in the field of sports management.

Luukko actively serves on the Board of Directors for the Philadelphia Convention and Visitors Bureau, the Philadelphia Sports Congress, and the Battleship New Jersey Museum. He also serves on both the National Hockey League's and the National Basketball Association's Board of Governors.

Luukko is a hockey player, hockey coach, and hockey parent. He is a graduate of the University of Massachusetts. He and his wife, Casey, along with their children; Nick, Dana, and Max; reside in West Chester, Pennsylvania.

Shabel is an active participant in numerous community organizations. He is a member of the Board of Directors of the Greater Philadelphia Chamber of Commerce; the Honorary Board of Directors of Police Athletic League, Philadelphia Police Foundation Board, the Board of Directors of the Ed Snider Youth Hockey Foundation, as well as a member of the Advisory Board for Arthur Ashe Youth Tennis and Education (Arthur Ashe Youth Tennis Center).

Prior to joining Spectacor as President in 1980, he was Vice President for Operations at the University of Pennsylvania from 1975 to 1980. He was Penn's Athletic Director from 1967 to 1975. In that time, his teams achieved 28 Ivy League titles and numerous national rankings. In 1972-73, Intercollegiate Athletics at Penn accomplished a benchmark season, topping all previous victory records during the school's 26 years in the Ivy League.

During his tenure at the University of Pennsylvania Shabel served as Chairman of the Ivy League Athletic Directors and the Eastern Collegiate Television Committee, and was Director of the Penn Relays.

Shabel began his collegiate athletics career as a member of the Duke University Men's Basketball team where he later became Assistant Basketball Coach under Vic Bubas from 1957 to 1963. He moved on to become Head Basketball Coach at University of Connecticut and was honored as New England Coach of the Year in 1964.

He has been the recipient of the Duke Alumni Award, the Penn Varsity Club Award, the University of Pennsylvania Hunter Lott Award, and the Anti-Defamation League Torch of Liberty Award. He was recently inducted into the New England Division I Basketball Hall of Fame in the Coaching Class.

PAUL HOLMGREN | General Manager

Paul Holmgren is in his fourth season as club GM and his 31st season as a member of the Flyers organization.

Last season, Holmgren put together a Flyers club that finished with a 44-27-11 record for 99 points and finished in third place in the Atlantic Division and fifth in the Eastern Conference. The Flyers surpassed their totals in wins (44) and points (99) from the previous season as well as set a franchise record by finishing the regular season having allowed just one shorthanded goal. The previous record in a single season was two, set in 1967-68 and 1978-79.

In 2007-08, his first full season as general manager, Holmgren guided the Flyers to the NHL's best turnaround, improving 39 points in the standings (95 points in 2007-08 after 56 points in 2006-07), and to a spot in the Stanley Cup Playoffs, advancing to the Eastern Conference Finals. Since the NHL expanded the playoffs to four rounds, starting with the 1980 Playoffs, the 2007-08 Flyers were only the second team to finish with the worst record in the NHL one season and reach the third round of the playoffs the next season (Detroit Red Wings in 1987). The 2007-08 Flyers were also the first team in 13 years to advance to the second round of the playoffs after finishing the previous season with the worst record in the league (San Jose Sharks in 1994).

He was named general manager on November 11, 2006, after serving as interim general manager since replacing Bob Clarke who resigned on October 22, 2006. Prior to his promotion, Holmgren had served the previous seven seasons as the team's assistant general manager. He was named assistant general manager on June 14, 1999.

He was named assistant general manager of the U.S. Olympic Men's Ice Hockey Team that competed in 2006 Olympic Winter Games in Torino, Italy and general manager for the 2006 U.S. National Team for the IIHF World Championships. He served as an assistant coach for Team USA at the 1998 Winter Olympic Games. He was named Flyers' director of player personnel on August 6, 1997, after serving as director of pro scouting over parts of two seasons. He replaced Bill Barber as the Flyers' director of pro scouting when Barber was named head coach of the Hershey Bears on December 30, 1995. He was named as an assistant coach for Team USA for the World Cup of Hockey Tournament on June 27, 1996. He rejoined the Flyers organization as a scout after being replaced as the Hartford Whalers' head coach on November 6, 1995. Holmgren compiled a 59-93-14 record as head coach of the Whalers through parts of four seasons (1992-93 to 1995-96). He was re-appointed as head coach of the Whalers by team President and General Manager Jim Rutherford on June 28, 1994.

He stepped down as the Whalers' head coach 17 games into the 1993-94 season to concentrate on his duties as general manager. He was named general manager and head coach of the Whalers prior to the start of the 1993-94 season. He was named head coach of the Whalers on June 15, 1992. He served as Flyers head coach for four seasons (1988-89 to 1991-92), compiling a 107-126-31 record. He was named head coach of the Flyers on June 1, 1988, after serving three seasons as an assistant coach with the club. He was the first former Flyer to be named head coach of the team.

He retired from playing after the 1984-85 season, having recorded 144 goals and 179 assists for 323 points and 1,684 penalty minutes in 527 career regular season NHL games with the Flyers and the Minnesota North Stars. He was traded to the North Stars by the Flyers in exchange for Paul Guay and a third round pick in the 1985 NHL Entry Draft (Darryl Gilmour) on February 23, 1984. He recorded 138 goals and 171 assists for 309 points and 1,600 penalty minutes in 500 games over parts of nine seasons with the Flyers (1975-76 to 1983-84). His 1,600 penalty minutes with the Flyers are second all-time in club history. He was drafted from the University of Minnesota by the Flyers in the sixth round (108th overall) of the 1975 NHL Entry Draft. Paul and his wife, Doreen, reside in Somerdale, New Jersey. He has four children: Jason, Kirsten, Wes, and Greta, and two grandchildren Hannah (5) and Noah (3).

JOHN STEVENS | Head Coach

John Stevens is in his fourth season as the club's head coach after leading the Flyers to a 44-27-11 for 99 points and third place finish in the Atlantic Division and fifth-place finish in the Eastern Conference. The Flyers surpassed their totals in wins (44) and points (99) from the previous season as well as set a franchise record by finishing the regular season having allowed just one shorthanded goal. The previous record in a single season was two, set in 1967-68 and 1978-79, surpassing the team's win total (44) and points (99) from 2007-08.

In 2007-08, Stevens led the Flyers to the Eastern Conference Finals after posting a 42-29-11 record and 95 points to finish fourth in the Atlantic Division and sixth in the Eastern Conference, his first full season as the club's head coach. The Flyers finished 39 points and 20 wins ahead of their totals from the 2006-07 season (22-48-12 for 56 points). Their 39-point turnaround was the most of any team in the National Hockey League for the 2007-08 season. In recognition of his work during the 2007-08 season, he was named Coach of the Year by *The Hockey News*.

He was promoted from assistant coach on October 22, 2006 and is the 16th head coach in Flyers history, while also the fourth former Flyer to be named the team's head coach, joining Paul Holmgren, Terry Murray and Bill Barber. He was named an assistant coach on June 5, 2006. Prior to joining the Flyers' coaching staff, Stevens was the head coach of the Flyers' American Hockey League affiliate, the Philadelphia Phantoms, for the previous six seasons (2000-01 through 2005-06) and led the team to the Calder Cup Championship in 2005. Stevens' career AHL coaching record is 230-181-33-25 in 480 regular season games, not including 11 shootout losses. He has a 29-19 record in 48 career Calder Cup Playoff games.

He was named the second-ever head coach of the Phantoms on June 8, 2000. His 480 games coached and 230 career wins are the most in Phantoms history. He was named an assistant coach for the Phantoms on February 10, 1999, after announcing his retirement from hockey due to an eye injury. Stevens was inducted into the Philadelphia Phantoms Hall of Fame on February 18, 2007.

A native of Campbellton, New Brunswick, Stevens played 15 seasons of professional hockey as a defenseman (1984-85 to 1998-99), including 53 NHL games with the Flyers and Hartford Whalers. Over parts of five seasons (1986-87 and 1987-88 with the Flyers and 1990-91, 1991-92 and 1993-94 with Hartford), Stevens recorded 10 assists and 48 penalty minutes in 53 games. In 834 career AHL games over 14 seasons with the Hershey Bears (1984-85 and 1986-87 through 1989-90), Springfield Indians/Falcons (1990-91 through 1995-96) and the Phantoms (1996-97 to 1998-99), Stevens registered 21 goals and 167 assists for 188 points and 1,399 penalty minutes. He was a member of three Calder Cup Championship teams as a player (Hershey - 1988, Springfield - 1991 and Philadelphia - 1998) and won the Barry Ashbee Award as the Phantoms' top defenseman for the 1996-97 season. He was named the Phantoms' first-ever captain on October 1, 1996. Stevens was originally drafted from the Oshawa Generals of the Ontario Hockey League by the Flyers in the third round (47th overall) of the 1984 NHL Entry Draft. Stevens and his wife, Stacy, have two sons, John and Nolan. Stevens was born on May 4, 1966.

- For Flyers Penalty Shots taken in the Playoffs, see Flyers Playoff Section

NOTES: The Flyers have connected on 18 of 41 penalty shot attempts (43.9%). Michal Handzus' attempt on December 5, 2002, was the Flyers' first penalty shot attempt in regular season overtime. It was the seventh penalty shot attempt in regular season overtime since the NHL instituted regular season overtime for the 1983-84 season. It was only the second successful penalty shot attempt in regular season overtime in NHL history – Nashville's David Legwand scored on the Rangers' Kirk McLean to give the Predators a 3-2 win at New York on December 23, 2000. Eric Desjardins and Behn Wilson are the only Flyers defensemen ever to attempt a penalty shot. Ilkka Sinisalo became only the third player in NHL history to score his first goal on a penalty shot. The others were Ralph Bowman of the St. Louis Eagles, when in 1934-35 he recorded the first-ever successful penalty shot in the NHL, and Phil Hoene of the Los Angeles Kings in 1973-74. With his goal vs. Washington on April 15, 2008, Mike Richards' became only the second player in NHL history to record their first career NHL playoff goal on a penalty shot (Minnesota's Wayne Connolly in 1968).

FEBRUARY 4, 2009: After 13 seasons, Comcast-Spectacor, announced it had reached an agreement to sell the Philadelphia Phantoms hockey team, the Flyers top American Hockey League affiliate, to the Brooks Group, of Pittsburgh, PA, owners and investors of other minor league hockey and baseball teams.

FEBRUARY 15, 2009: Mike Richards scored a shorthanded goal with his team down two men (on a 5-on-3 disadvantage) at 1:18 of the second period on NY Rangers goaltender Henrik Lundqvist. It was his third career 5-on-3 shorthanded goal, making him the first player in NHL history to accomplish that feat. The Flyers defeated the Rangers, 5-2, at Madison Square Garden.

FEBRUARY 21, 2009: Mike Richards recorded a shorthanded goal for the third consecutive game, becoming the first player since Joe Sakic accomplished that feat from Oct. 15-24, 1998. The Flyers dropped the contest, 5-4, to the Pittsburgh Penguins. The game also marked the largest regular season crowd at home in Flyers' history with an attendance of 19,992 … The previous mark was 19,957, which occurred on Apr. 4, 2008 (3-0 Flyers win vs. New Jersey Devils).

MARCH 14, 2009: The Flyers defeated the New York Rangers, 4-2, at the Wachovia Center giving Head Coach John Stevens his 100th career victory as head coach of the Flyers and in the NHL.

APRIL 7, 2009: The Flyers earned a 2-1 win over the visiting Florida Panthers and clinched a berth in the Stanley Cup Playoffs for the 33rd time in the team's 41 seasons of play, while also surpassing their win and point total from the 2007-08 season.

APRIL 11, 2009: Joffrey Lupul recorded a goal, giving the Flyers six 25-goal scorers on the season, which made the Flyers the first team since the Calgary Flames in 1993-94 to accomplish that feat.

APRIL 12, 2009: The Flyers set a new franchise record by finishing the regular season having allowed just one shorthanded goal. The previous record in a single season was two, set in 1967-68 and 1978-79. Dating back to Feb. 19, 2008, the Flyers went 103 regular season games without allowing a shorthanded goal. It was the longest such streak since the Montreal Canadiens went 122 games without allowing a shorthanded goal from Mar. 1975 to Nov. 1976.

KATE SMITH SINGS "GOD BLESS AMERICA"

Over 39 years ago, on December 11, 1969, Kate Smith's recording of "God Bless America" was first played at a Flyers game. The Flyers beat the Toronto Maple Leafs, 6-3, at the Spectrum that night. That's where it all began, and "God Bless America" became "our song." Smith was enchanted by this flamboyant hockey team that found her rendition of the American folk classic to be a good luck charm. So much so that she performed the song live at the Spectrum on four occasions:

LIVE PERFORMANCES AT THE SPECTRUM
October 11, 1973 vs. Toronto – Flyers 2, Toronto 0
May 19, 1974 vs. Boston – Flyers 1, Boston 0
Stanley Cup-Winning Game
May 13, 1975 vs. NY Islanders – Flyers 4, Islanders 1
Game 7 of Stanley Cup Semifinals
May 16, 1976 vs. Montreal – Canadiens 5, Flyers 3
Game 4 of Stanley Cup Finals

Though Smith's record with the Flyers is impressive, there were a few losses along the way. The first was a 1-0 defeat at the hands of the Minnesota North Stars on April 4, 1970. Wins and losses aside, to the Flyers organization, Ms. Smith and her song are really something special.

Community Relations

The Philadelphia Flyers are dedicated to improving the Greater Philadelphia Region, which has supported us so well over the years, through our leadership of and assistance with various community events and programs. The Community Relations and Fan Development Departments focus their efforts on programs that assist in the development and positive growth of children, using the sport of hockey as the means to touch the lives of others.

Specific community activities include hospital visits, youth hockey clinics, holiday volunteering, educational assemblies and seminars, and donations of autographed and promotional items to charitable organizations. With support from the entire Flyers organization, we strive to make our community a better place to live.

Community Teammates

Flyers Community Teammates was developed to recognize an individual or group for their positive contributions to the local community. The Philadelphia Flyers are accepting nominations for this exciting program. Anyone can nominate a neighbor, friend or relative who is a firefighter, policeman, rescue worker, or just an everyday hero like a teacher or community leader who is making a difference. The program awards two tickets to a Flyers home game, a personalized Flyers jersey, and recognition on the Arenavision scoreboard at the game.

Nominations must include the person's name, address, e-mail address, telephone number, name of hometown newspaper, and why the individual should be chosen by the Flyers as a Community Teammate. Entries can be submitted via e-mail to flyerscommunity@comcast-spectacor.com, or in writing to:

Face off for Fitness

"Face Off for Fitness" is a program designed to show children the importance of choosing a healthy lifestyle. Members of the Philadelphia Flyers Community Relations staff will take this message to area schools, recreation centers, and after-school programs to educate children on the benefits of eating healthy and exercising. Fun activities are used, as well as player's favorite nutritional recipes to increase nutritional awareness and encourage children to make proper decisions based on their knowledge of a healthy lifestyle.

Holiday Initiatives

During the Holidays the Philadelphia Flyers organization takes a leading role in the community engaging our fan base in the effort as well! Previous initiatives have included the player's holiday visit to the Children's Hospital of Philadelphia, a "pre-game meal" at the Ronald McDonald House, and "trick or treating" through St. Christopher's Hospital for Children. This past season the Flyers also teamed up with the Salvation Army and Child Abuse Prevention Effort to build a toy mountain of gifts donated by the Flyers themselves and fans of the community.

Awareness Nights

The Community Relations Department embraces the role as community leader and uses that position to address and create awareness to existing and new initiatives in health care such as Breast Cancer, Autism, and Heart Health. The Flyers are also involved with local initiatives such as Philadelphia Animal Wellness Society (PAWS), promoting the adoption and well being of homeless animals, Greater Philadelphia Cares Coat Drive, and Philabundance Food Drive.

Hat Tricks for Kids

"Hat Tricks for Kids" was developed in order to provide support for children battling cancer in oncology units throughout the Delaware Valley. Members of the Flyers organization visit local hospitals several times during the year to visit with the children and distribute Flyers goodies. Since the children in our community are so important to the Flyers, we show our admiration for them, as well as try to bring a little cheer and hope to their lives during such a difficult time.

Make Reading Your Goal

"Make Reading Your Goal" caters to the Flyers number one goal of assisting the community. "Make Reading Your Goal" encourages students in elementary school to read outside of school and shows them that reading is fun. This program not only works to improve children's literacy levels, but helps to prepare them for life after school. Consistent with the Flyers' message of teamwork, this program will show students the value of reading and accomplishing goals.

Fan Club

This is an exciting way for fans to get more involved in the team, and to receive exclusive news and invitations to several offers and events throughout the year. These many special features are offered only to the Fan Club. As a member of the Philadelphia Flyers Fan Club, you are entitled to:

The Philadelphia Flyers are pleased to send get-well cards to any fan that is sick or in the hospital. Because it is not always possible to send a player on a hospital visit, the Flyers are more than happy to send some get-well cheer to your friend or family member with an autographed get-well card.

If you know of a Flyers fan that is in need of a get well wish, please call us at **(215) 952-5763,**, email us at: **flyerscommunity@comcast-spectacor.com**, or write to us at:

Flyers Inflatable

The Flyers have an interactive inflatable game that travels to various events to help bring hockey awareness to communities throughout the Delaware Valley. The Flyers inflatable game is a 16' x 16' x 8' slap shot cage that allows fans to take their best shot at beating a stationary goalie. The Flyers inflatable is perfect for any event, large or small.

For more information, or to book an inflatable appearance, please call us at: **(215) 952-5763**.

Hooked on Hockey

Hooked on Hockey is a fun program that seeks to create hockey awareness among children throughout the Delaware Valley. Throughout the Hooked on Hockey clinic, Flyers staff members teach kids basic hockey skills in an enjoyable environment. This summer program introduces children to street hockey, while providing them with the fundamentals that will translate to hockey at any level. Each Hooked on Hockey event includes an introduction of basic hockey fundamentals, such as stick handling, passing, and shooting through scrimmages, skill competitions, and other fun activities. Flyers Ambassador of Hockey, Bob "The Hound" Kelly, and members of the CR Staff host the event and interact with participants throughout the session. In support of this grassroots initiative, the Flyers will contribute Mylec hockey sticks to all participants in an effort to keep children "hooked on hockey." The Flyers visited 54 locations and got over 4,600 kids "hooked on hockey" during 2008-2009.

For additional information, or to book a Hooked on Hockey event for 2009-2010, please call us at **(215) 952-5999** or email us at: **JTempesta@comcast-spectacor.com**.

Flyers School Assembly Program

The Flyers School Assembly Program was designed to teach children in grades 1-6 the importance of using teamwork to achieve their goals in school, sports, and at home. Flyers Ambassador of Hockey, Bob "The Hound" Kelly, along with members of the CR staff, educate students on the meaning and importance of teamwork and why working together can be so important. Kelly also discusses his playing career with the Philadelphia Flyers and the need for safety while playing sports. The program uses creative videos, interactive games and presentations to keep children involved and enthused. All students in attendance receive special Flyers giveaways, as well as an interactive Flyers activity book. Over the course of the 2008-2009 school year, the Flyers School Assembly Program visited 75 schools and reached over 22,000 students throughout the Greater Philadelphia region.

Bob "The Hound" Kelly

Bob "The Hound" Kelly serves as the Philadelphia Flyers Ambassador of Hockey. During his twelve year playing career, Kelly played 10 seasons for the Philadelphia Flyers. Kelly, a member of both Flyers' Stanley Cup winning teams in '74 and '75, scored the game-winning goal in game six of the Stanley Cup finals against the Buffalo Sabres to clinch the Stanley Cup for the Flyers on May 27, 1975. Kelly was also a member of the Flyers team that put together a 35 game unbeaten streak during the 1979-80 season; a record that has yet to be broken. Kelly retired from professional hockey in 1982 and has served as the Flyers Ambassador of Hockey since 2003.

Kelly remains committed to the Flyers organization today, and works to spread his love of both hockey and the Flyers while assisting the community. As the Ambassador of Hockey, Kelly visits schools, hospitals, golf outings, and other charitable events to support the surrounding community. Kelly works closely with the CR Department to help the sport of hockey grow by conducting in-line and on-ice hockey clinics. He is an integral part of both the School Assembly Program and the Hooked on Hockey street hockey clinic.

In addition, Flyers Hockey Hall of Famers Gary Dornhoefer and Bernie Parent, along with former longtime employee Joe Kadlec, also represent the organization at community events.

PHILADELPHIA FLYERS YOUTH & AMATEUR HOCKEY

For over 25 years, the Philadelphia Flyers have been innovators in the promotion and growth of youth hockey in the Delaware Valley. The Flyers' Youth and Amateur Hockey Department has become the area's driving force behind ice hockey. Originally an in formation and statistics bureau, the department has expanded to include programs aimed at helping the sport to grow at all levels. With the help of corporate sponsorship, the Flyers are able to reach out into the community and help nearly 50,000 youth hockey players every year while exposing the sport to hundreds of thousands of people on an annual basis.

YOUTH HOCKEY HERO

In addition to being a source of information about ice hockey in the Delaware Valley, the Department runs various instructional and recreational programs, each aimed at a different level of interest.

Youth Hockey Hero

Every month, the Flyers and USA Hockey will honor an individual who has sacrificed countless hours to help grow the game of hockey in the Philadelphia region. Heroes may be nominated by anyone within the local hockey community, and the nomination forms are sent to the Flyers for consideration. The Flyers will select winners based on length of volunteer service and other accomplishments/contributions. Heroes will receive (2) tickets to a select game, where they will be honored during an intermission. A scratched Flyers player will present him/her with an autographed stick.

The Flyers are currently accepting nominations for the 2009-2010 season. Nominations should include the person's name, address, telephone number, occupation, a brief description of the volunteer service performed, and why they should be chosen by the Flyers. Please submit entries by email to:**robaer@comcast-spectacor.com**, or in writing to:

Ace's Got Skills Competition

Launched in September 2005 and supported by the National Hockey League and NHL clubs across North America, including the Philadelphia Flyers, Ace's Got Skills is modeled after the NHL's popular All-Star Super Skills Competition and gives boys and girls ages 9-12 the opportunity to come out and test their skill level in key ice hockey categories: fastest skater, most accurate shooter, shootout, hardest shot, and best goalie. Registration fees collected by the program will benefit the Ace Bailey Children's Foundation. To learn more about Ace's Got Skills and to register for a competition at a rink near you, log on to www.acesgotskills.com.

Flyers Cup

Each year at the end of high school hockey season, the top 52 local teams compete in the Flyers Cup tournament to determine which schools will represent the Philadelphia region in the Pennsylvania State Championships. The 30th Annual Flyers Cup wrapped up on March 21, 2009 with Radnor (Girls), Bayard Rustin (A), Council Rock South (AA), and La Salle College High School (AAA) winning the title in their respective divisions.

Delaware Valley Rink Guide

The Youth and Amateur Department publishes an annual guide for hockey programs and rinks in the Delaware Valley. The guide includes information on the 150 rinks in the area, including ice hockey, roller hockey, and street hockey rinks. The guide provides thousands of people in the area with information on hockey clubs, high school leagues, hockey camps, figure skating programs, public skating, and much more. Each rink has its own informational page that even includes a map and directions. The Delaware Valley Rink Guide is a helpful tool for local hockey parents and newcomers to the area.

To request your free guide, call us at **(215) 952-5999**.

Flyers On-Ice Clinics

The Flyers are committed to teaching local youth hockey players basic hockey skills. The Flyers on-ice clinics help children learn the fundamentals of ice hockey while using fun and interactive drills. The Youth and Amateur Hockey Coaching Staff along with Flyers Ambassador of Hockey Bob "The Hound" Kelly, conduct a two-hour clinic. The Clinic is divided into two one-hour sessions, providing each group with a chance to participate on-ice. Each participant will receive an autographed puck, Flyers gifts, the memory of a fun time on the ice, and a better understanding of the game of hockey.

College Hockey Seminar

The Flyers, in conjunction with USA Hockey, will host the 3rd Annual College Hockey Seminar at the Wachovia Center.

College Hockey coaches from throughout the Philadelphia region and beyond will be on hand to speak with players and parents, and answer their questions. This FREE event is open to all high school-aged hockey players (boys and girls). A few highlights of the program include:

- Hockey Coaches (men and women) from over 30 different NCAA and ACHA programs
- Guest speakers from the Flyers organization
- Financial Aid and Application information available

Flyers Youth Hockey Shootout

The Flyers Youth Hockey Shootout gives young players a chance to show off their skills in a competitive and fun event. The competition is open to children under the age of 14, and takes place during intermission of a Flyers home game. Players compete in a penalty shootout with the winning team advancing in the round robin competition. Interested organizations are entered into a pool, and eight teams from the Squirt, Pee Wee, and Bantam categories are randomly selected to participate throughout the season.

Mites on Ice

Mites on Ice is an opportunity for local hockey players in the Mite age bracket to participate in an on-ice scrimmage during intermission of a Flyers home game. The program allows children from various club and in-house leagues throughout the Delaware Valley to play in front of a capacity crowd. For most children, this is their first time feeling the thrill of skating on the same ice as their favorite team. They get to experience the same things their favorite players experience each time they take the ice at the Wachovia Center. All participants receive a free Flyers jersey, and unforgettable memories.

To find out more about the **Youth Hockey Shootout** or **Mites on Ice**, please call the Youth and Amateur Hockey office at **(215) 952-5999**.

Flyers Pre-and-Post Hockey Games

The Philadelphia Flyers are now offering a chance for local teams to participate in a hockey game before of after select Flyers home games at the Wachovia Center. Just by purchasing group tickets to Flyers home games, teams will have an opportunity to play on the same ice as their Flyers' heroes. For further information, please call the Youth and Amateur office at **(215) 952-5999.**

PA State High School Championship

The Flyers Youth and Amateur Hockey Department acts as the area coordinator for the Pennsylvania State High School Championships. The three game event takes place in the early spring, immediately following the Flyers Cup Scholastic Championships. It rotates annually between Philadelphia and Pittsburgh, with the 2009 Championship being held at Ice Line in West Chester, PA. Bayard Rustin High School won the State Championship at the "A" level and La Salle College High School won at the "AAA" level.

Hockey Week Across Philadelphia

USA Hockey is leading the hockey community in a nationwide celebration of the sport in "Hockey Weekend Across America," (January 29-31, 2010). The Philadelphia Flyers support this effort with a week of events across the Greater Philadelphia Region to increase public awareness of hockey and provide opportunities for those who have not played hockey to try it.

Flyers Coaching Symposium

Every year the Flyers conduct a symposium for hockey coaches in the Delaware Valley. The symposium is designed to teach local coaches advanced coaching techniques that can be applied to all age levels, and give them an in-depth hockey analysis. The Flyers have a commitment to youth hockey, and that starts at the coaching level. It is important to encourage good habits and techniques in coaches who are responsible for impressionable children in the community. This symposium is targeted to coaches of all hockey levels. Guest speakers have included current Flyers coaches and training staff, the Flyers Youth and Amateur Hockey Staff, college coaches, and nutritionists.

Flyers Coach John Stevens addresses Delaware Valley coaches at recent Symposium.

HOW TO FIGURE...

ASSIST: An assist is awarded to the player or players (maximum of two) who touched the puck prior to the goal, provided no defender plays or possesses the puck in between.

COACH'S RECORD: A coach receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.

GAME PLAYED: A player receives credit for playing in a game if: i) he steps on the ice during time played or; ii) serves any penalty.

GAME-WINNING GOAL: After the final score has been determined, the goal which leaves the winning Club one goal ahead of its opponent is the game-winning goal (example: if Team A beats Team B 8-3, the player scoring the fourth goal for Team A receives credit for the game-winning goal).

GOAL: A goal is awarded to the last player on the scoring Club to touch the puck prior to the puck entering the net.

GOALS-AGAINST AVERAGE: Multiply goals allowed (GA) by 60 and divide by minutes played (MINS).

GOALTENDER: A goaltender receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.

PENALTY-KILLING PCT.: Subtract total number of power-play goals allowed from total number of shorthanded situations to get total number of power-plays killed. Divide the total number of power-plays killed by the total number of shorthanded situations.

PLUS-MINUS: A player receives a "plus" if he is on the ice when his Club scores an even-strength or shorthand goal. He receives a "minus" if he is on the ice for an even-strength or shorthand goal scored by the opposing Club. The difference in these numbers is considered the player's plus-minus statistic.

POWER-PLAY GOAL: A goal scored by a Club while it has a manpower advantage due to an opponent's penalty. Following are some examples of what is and is not considered a power-play goal:

- if a Club has an advantage on a minor penalty starting at 2:02 of the period and it scores at 4:02, the goal is not a power-play goal.
- if a Club scores on a delayed penalty, the goal is not a power-play goal.
- if a Club has an advantage due to a five-minute major or match penalty, that Club is always credited with having one more advantage than the number of power-play goals it scores during that advantage, because the penalty does not expire. A new advantage begins after each power-play goal. For example, if Team A scores three goals during a major penalty, it is credited with four advantages.
- if a Club is on a power-play for any length of time, it is considered to have had an advantage.
- if a minor penalty is incurred by a Club on a power-play due to a major penalty, a new advantage is given to that Club when its minor penalty expires, provided the opponent's major penalty is still in effect.

POWER-PLAY PERCENTAGE: Total number of power-play goals divided by total number of power-play opportunities.

SAVE PERCENTAGE: Subtract goals allowed (GA) from shots against (SA) to determine saves. Then divide saves by shots-against.

SHOOTING PERCENTAGE: Divide the number of goals scored by the number of shots taken.

Shorthand Goal: A goal scored by a Club while it is at a manpower disadvantage. The same cases apply for shorthand as for power-play goals, but in the opposite manner.

SHOT ON GOAL: If a player shoots the puck with the intention of scoring and if that shot would have gone in the net had the goaltender not stopped it, the shot is recorded as a "shot on goal".

SHUTOUT: If two goaltenders combine for a shutout, neither receives credit for the shutout. Instead it is recorded as a Club shutout.

TENTHS OF A SECOND: If a penalty or goal occurs in the last minute, the time is rounded off to the previous second (example: if a penalty is called with 12.4 seconds left in a period, the time is indicated as 19:47 and not 19:48.)

TIE-BREAKING FORMULA: At the conclusion of the regular season, the standing of the teams in each Conference shall be determined in accordance with the following priorities in the order listed:

a) First place in each of the three divisions seeded 1,2, and 3.
b) The higher number of points earned by the Club.
c) The greater number of games won by the Club.
d) The higher number of points earned in games against each other among two or more Clubs having equal standing under priorities (b) and (c).

NOTE: For the purpose of determining standing under priority (d) for two or more tied Clubs that have not played an even number of games with one or more of the other tied Clubs, the first game played in the city that has the extra game (the "odd game") shall not be included. When more than two Clubs are tied, the percentage of available points earned in games among each other (and not including any "odd games") shall be used to determine the standing.

e) The greater differential between goals scored for and against by Clubs having equal standing under priority (d).

ORDER OF SELECTION FOR 2010 ENTRY DRAFT

The NHL's annual Draft Drawing is a weighted lottery system to determine the order of selection for the first 14 picks of the 2010 Entry Draft.

The 14 teams that did not qualify for the Stanley Cup Playoffs, or clubs that acquired those clubs' 2010 first-round draft picks, participate in the Drawing.

The Club selected in the drawing may not move up more than four positions in the draft order, thus only the five Clubs with the fewest regular-season points have the opportunity to receive the first overall selection.

No Club can move down more than one position as a result of the Draft Drawing.

IN THE FIRST ROUND OF THE 2010 ENTRY DRAFT, THE ORDER OF SELECTION IS AS FOLLOWS:

- The first 14 selections, as determined by the Draft Drawing (see above);
- Clubs eliminated in the first two rounds of the 2010 Stanley Cup Playoffs, regular-season division winners excluded, in inverse order of points;
- Regular-season division winning clubs eliminated in the first two rounds of the 2010 Stanley Cup Playoffs, in inverse order of points;
- Clubs eliminated in the 2010 Conference Finals, in inverse order of points;
- Stanley Cup finalist
- Stanley Cup champion

IN THE SECOND AND SUBSEQUENT ROUNDS THE ORDER OF SELECTION IS AS FOLLOWS:

- Non-playoff clubs in inverse order of points;
- Clubs eliminated in the first two rounds of the 2010 Stanley Cup Playoffs, regular-season division winners excluded, in inverse order of points;
- Regular-season division winning clubs eliminated in the first two rounds of the 2010 Stanley Cup Playoffs, in inverse order of points;
- Clubs eliminated in the 2010 Conference Finals, in inverse order of points;
- Stanley Cup finalist
- Stanley Cup champion

UNSIGNED DRAFT CHOICES

A player aged 18 or 19 who was selected in the first three rounds of the Entry Draft and who was not signed by his NHL Club may not be retained by the Club and must be returned to his junior Club no later than the day prior to the opening of the NHL regular season.

A player aged 18 or 19 who was selected in the fourth or subsequent rounds who has not been signed by his NHL Club may not be retained by his Club and must be returned to his junior Club no later than the fourth day prior to the opening of the NHL regular season.

ENTRY LEVEL PLAYERS

Players 18 through 21 years of age when signing their first contract must remain in the entry-level system for a period of three years; players age 22 and 23 when signing their first contract are in the entry level system for two years; while those age 24 when signing their first contract are in the entry level system for one year. Age is defined as the player's age on September 15 of the calendar year in which he signs the contract, regardless of his actual age on the date he signs such contract.

In the event that a signed 18 or 19-year-old player does not play a minimum of 10 NHL games (regular season and/or playoffs) in his first season under contract, the term of his player contract and his number of years in the entry level system will be extended for a period of one year. The exception to this is a 19-year-old player who turns 20 years of age between September 16 and December 31 in his first contract year.

In the event that a player signs his first contract at age 18 and has had his Player Contract extended for one season already, and such player does not play at least 10 NHL games (regular season and/or playoffs) in the second season under that player's Player Contract, then the term of his Player Contract and his number of years in the Entry Level System shall be extended for one additional year.

23-MAN ROSTER

There may be a maximum of 23 players on each Club's playing roster at any one time from the commencement of the NHL regular season through the trade deadline. Prior to the start of the season, each Club must submit to the NHL its "Opening Day Playing Roster" which shall be comprised of not more than 23 players. Each Club must have a roster of at least 20 players, composed of 18 skaters and two goaltenders. Players on Injured Reserve do not count in the 23-Man Roster limit.

INJURED RESERVE LIST

In the event that a player is injured and a Club wishes to place him on the Injured Reserve List, the Club must follow these procedures.

- A Club may place a player on the injured reserve list if such player is injured, disabled or ill and unable to perform his duties as a hockey player after having passed the Club's initial physical examination in that season.
- A player who has an injury that renders him physically unable to play for a minimum of seven days after that date of the injury can be placed on the Club's Injured Reserve List. Once a player is placed on the injured reserve, the Club may replace said player on its NHL roster with another player. All determinations that a player has suffered an injury warranting injured reserve status must be made by the Club's medical staff and in accordance with the Club's medical standards.
- A player placed on Injured Reserve is ineligible to compete in NHL games for a period of not less than seven days from the date of injury.
- Players on Injured Reserve may attend Club meetings and meals, travel with the Club and participate in practice sessions.

The NHL regular season schedule format still sees each Club play the teams in its own division a total of six times (three times at home; three times on the road) and a total of 24 division matchups. The Flyers compete in the Atlantic Division of the Eastern Conference along with the New Jersey Devils, New York Islanders, New York Rangers and Pittsburgh Penguins. The Flyers posted a 13-7-4 record against teams in the Atlantic Division in 2008-09.

The Flyers will also face off in four games (twice at home; twice on the road) against the remaining 10 non-division teams in the Eastern Conference, which consist of the five teams in the Northeast Division (Boston Bruins, Buffalo Sabres, Montreal Canadiens, Ottawa Senators and Toronto Maple Leafs) and five teams in the Southeast Division (Atlanta Thrashers, Carolina Hurricanes, Florida Panthers, Tampa Bay Lightning and Washington Capitals), bringing the total number of games in the Eastern Conference to 64 games. In 2008-09, the Flyers posted a 10-8-2 record against the Northeast Division, a 13-5-2 record against the Southeast Division and a 36-20-8 record against Eastern Conference foes.

Included within the Flyers' inter-conference schedule, the National Hockey League announced that the league's annual outdoor game will return on New Year's Day with the Boston Bruins hosting the Philadelphia Flyers at Fenway Park -- home of the Boston Red Sox -- in the 2010 Bridgestone/NHL Winter ClassicTM. The Eastern Conference rivals will face-off at 1 p.m., ET in the classic, which received the SportsBusiness Journal "Sports Event of the Year" award for its inaugural edition in 2008.

In addition to their Eastern Conference slate, the Flyers will play their remaining 18 games against opponents in the Western Conference with each Club playing the other conference team at least once, home or away. This also includes three remaining games designated as "at-large" games in which the Flyers will play three opponents in the Western Conference both home and on the road. The Dallas Stars, Minnesota Wild and San Jose Sharks are the three "at-large" opponents the Flyers will face off at home and away this season. The Flyers posted an 8-7-3 against Western Conference opponents in 2008-09.

STANLEY CUP PLAYOFF FORMAT

The National Hockey League's 30 clubs are aligned into two conferences, each consisting of three divisions (Eastern Conference: Atlantic, Northeast, Southeast; Western Conference: Central, Northwest, Pacific). The number of teams qualifying for the 2009 Stanley Cup Playoffs will be 16.

First-round playoff berths will be awarded to the first-place team in each division, as well as to the next five-best teams (based on regular-season point totals in each conference). The three division winners in each conference will be seeded first through third (in order of points) and the next five best teams (in order of points) will be seeded fourth through eighth. In each conference, the team seeded #1 will play the team seeded #8, #2 vs. #7, #3 vs. #6, and #4 vs. #5 in the Conference Quarterfinal round. Home-ice in the Conference Quarterfinals is granted to those teams seeded first through fourth in each conference.

In the Conference Semifinals and Conference Finals, teams will be re-seeded according to the same criteria as the Conference Quarterfinals (division leaders will be seeded first and granted home-ice advantage while the remaining teams will be seeded in order of regular-season points). Home-ice advantage in the Stanley Cup series will be determined by points. All series are best-of-seven.

Individual game passes may be applied for by contacting the Flyers Public Relations Department at least 24 hours prior to a game. Press box space is limited. For bloggers and website representatives unaffiliated with a traditional media outlet:

A request for credentials must be sent by e-mail or in writing to the Home Club's director of media relations a minimum of 72 hours in advance of the game specified. The credential must be applied for, and issued in, the applicant's full legal name. The method of proposed content collection (digital camera, etc.) must be specified and approved in advance by the Club.

The request must include the specific assignment for which the credential is sought. "General coverage" is not an acceptable description.

Clubs, or the League, may request additional information for verification/authentication such as verifiable traffic/subscriber data for the requesting entity, as well as proof the site has been producing content for a minimum of six continuous months prior to the application. Credential applications will be approved on an individual game basis unless otherwise approved by the Club and the League.

PHOTOGRAPHERS:
Photographers from accredited magazines, newspapers and wire services may shoot from designated areas. Positions are assigned on a period-by-period basis by Gene Prince, Press Box Steward.
